CLARKSBURG

Clarksburg is the "biggest little city on earth." This is a general opinion at home and abroad AND A FACT. The natural resources here and about are the most needful the world knows—coal, oil, gas and timber, which insure the most PERMANENT GREATER FUTURE possible.

This bank has grown with Clarksburg and its greater growth is just as certain as the greater growth of Clarksburg. We offer the very best banking facilities known to modern banking and will comply with the most exacting demands.
